Attachment Number 15

Inspector General's Recommendation Number 15, Page 67

Recommended DCI Action: Approve

Inspector General's Statement

Recommended that:

Station personnel be briefed on recent developments in the audio surveillance field, and a stronger personal security program be developed.

DD/P Comment

Concur.

The Chief of Station has been requested to assure that appropriate briefings of this nature be included in the security survey scheduled to take place in October.
